History

#1 - 2020-06-16 11:35 - O'Neil Delpratt

- File *buildhec-command.bat* added
- File *builddeec-command.bat* added
- File *buildpec-command.bat* added
- Status changed from *New* to *Resolved*
- % Done changed from 0 to 100

Windows bat script created and added to subversion. Also adding the files to the bug issue for users to download.

I did notice that path locating of the Saxon/C library is not customizable as in the C++ API. I have fixed this problem too. I will raise another bug issue for this.
