

Saxon/C - Bug #4943

XsltProcessor.transformFileToFile not working

2021-03-20 09:28 - O'Neil Delpratt

Status:	In Progress	Start date:	2021-03-20
Priority:	Normal	Due date:	
Assignee:	O'Neil Delpratt	% Done:	0%
Category:	C++ API	Estimated time:	0:00 hour
Sprint/Milestone:		Spent time:	0:00 hour
Found in version:	1.2.1	Fixed in version:	
Description			
The transformFileToFile in the XsltProcessor class is not accept the output file argument.			
This bug was reported here:			
https://saxonica.plan.io/boards/4/topics/8157			
The workaround is to use the method:			
<pre>xsltproc->setOutputFile("outputfile");</pre>			
Alternatively you can set the output file via the setProperty method:			
<pre>xsltproc->setProperty("o", "outputfile_name");</pre>			
the equivalent workarounds will work for Python and PHP.			

History

#1 - 2021-03-20 09:31 - O'Neil Delpratt

- Status changed from New to Resolved

The bug fix has been applied in the XsltProcessor C++ method transformFileToFile.

#2 - 2021-03-20 09:40 - O'Neil Delpratt

- Status changed from Resolved to In Progress

I have opened this bug issue as this issue has not been completely resolved.
